

Branden & James - Blurb

Led by the golden-voiced tenor/pianist, Branden (an AGT finalist) is paired with the talented Australian James on cello, and a fine pianist as the third member of this wonderful NY-based trio. Romping through the best of B'way, the Great American Songbook, some good old rock 'n roll perhaps an operatic aria or two, the audience will be delighted with the quality of musicianship, showmanship and professionalism.
